Letter from E.M. Gawne Esq., I.C.S., Collector of South Kanara
Ref. A6 No. 9110-32 dated 14th December 1932:—

S.No. 278/2 of Kowdoor village, Karkal, taluk, was alienated
in this office Proceedings R Dis. 11423-28 dated 21st March 29
in favour of the Taluk Board, Karkal, for the purpose of a
school subject to the condition among others that, the school
building should be constructed within two years from the date
of the grant. At the request of the Taluk Board this period
was extended by fifteen months up to 30-6-32 in this office

Proceedings D Dis. 5453-31, dated 7th June 1931. No building has as yet been constructed and the plot lies vacant. The President of the Taluk Board says that owing to financial depression and for want of Government grant for the work the Board could not construct the building within the time and requests that a further extension of one year may be granted for the purpose. I do not think that the Taluk Board is really in earnest about the matter or that it will construct the building in the near future. I therefore recommend the resumption of the grant. (W)

Submitted to Government.

2. In the circumstances reported, the Board considers that it is unnecessary to grant an extension of time and that the land may be resumed.

3. In his letter No. 2076/Sub.28 dated 3-12-1928 contained at pages 31 and 32 of the Collector's R Dis. 11423-28 dated 21-3-29 the Tahsildar of Karkal reported to the Collector that an amount of Re.0-0-8 being the value of the scrub grown on the land was collected from the Taluk Board. As the amount is small, the Board considers that it is unnecessary to make any refund. (M)
